### The Canadian Army Offers You Outstanding Opportunities for Trades Training

You may be eligible for one of the many valuable skills and trades offered by the Canadian Army. The Army can make you a master of the trade in which you are selected — experience is an asset but if you can meet the requirements the Army will fully train you in one of its modern Army schools across Canada.

Here are just a few trades in which there are immediate openings:

Accounting Clerks  
Electricians  
Radio Station Operators  
Telecommunication  
Mechanics  
Surveyors  
Doctor's Assistants  
Dentist's Assistants  
Technical Assistants

There is a real future for you in the Army with the trades training, high rates of pay, pension plans, free medical and dental care, annual leaves and travel. To be eligible for this training, you must have Grade 10 education or equivalent, be 17 to 40 years of age, and be physically fit.

For full information, write or visit the Canadian Army recruiting centre nearest your home.

Mr. and Mrs. Ira McBride were honored at a surprise party last Thursday at their home when a number of friends called to help them celebrate their Thirty-Fifth Wedding Anniversary.

Rook was played by Mr. and Mrs. McBride, the Golden Snobs, T. T. Mendenhalls, Mrs. Myrtle Williams, Mrs. Lavern Anderson, the Myron Holmes, Reed Litchfields, Andrew Waltons, Irven Fawns, Wilford Meldrum and Mrs. Annie Woolley. Before the delightful lunch was served the honorees were presented with two bronze plaques, one of Mendelsson and one of Schubert.

Although they both came out in the early 1900's, when they were to be married in 1919 they went all the way to Salt Lake in order that it might be performed in the Temple there. They have six daughters, six sons-in-law and 19 grandchildren; Mrs. Margaret Ehlert lives in Lethbridge, Mrs. Hazel Wannop in Nanton, Mrs. Elizabeth Bridge in Magrath, Anita Heggie at Kingsgate and Nadene Wilde at Welling, where incidentally, McBrides commenced their married life.

### HOLLYWOOD TEA

(Continued from page one)

The prizes in the Fish Pond were many and valuable and the ladies netted \$35.00 towards the project.

Did Marilyn Monroe attend? At least Madame Harry Stevens was a good facsimile as she floated around in a black and white striped floor-length opera gown, entertaining with piano rambles when not assisting with the Fish Pond.

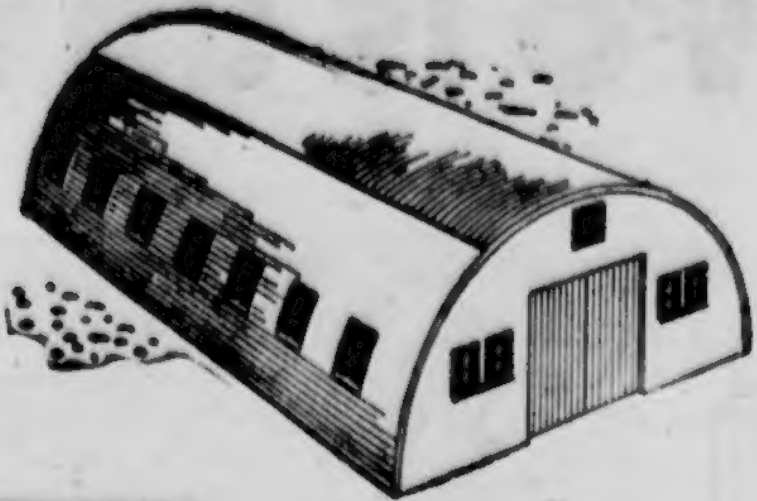

Mention must be made, also of our equally famous sign painter and poster maker, the Scottish lady, Madame Harold McKean, attired in fashionable black gown with pink accessories and modelling the latest in golf nickers, chose to serve in the kitchen, thereby displaying her outstanding capabilities as bottle washer and chef.

The Glamour Stars are indebted to all those who donated cash, fish pond articles, baking and to the ladies for assistance given in kitchen and in planning and organizing, also to general public for its support, with special thanks to Mr. and Mrs. Steward Card for the beautiful tulips that graced the tables, to Mr. W. Meldrum for his donation and to Mr. and Mrs. Joe Thompson for all their work and assistance. Also special mention and gratitude to T. Eaton Co. of Lethbridge and Winnipeg and Woolworths Store of Lethbridge for very generous donations to our Fish Pond.

The Finance Committee of the Raymond United Church who organized the 'Hollywood Glamour Tea' is pleased to report that it was most successful financially and that the men enjoyed themselves so much that a similar luncheon, complete with Floor Show is being planned for the near future — and perhaps you'll see another street parade, too, which was a High-Lite of the last afternoon.

If you missed this Hilarious Glamour Tea last Saturday, don't fail to attend the next one when once again the "Would be Lady Stars" model entertain and serve you.

How big  
is a  
Profit?

A lot less than most people think!

The only quarrel most people have with profits is ... they think they are too big ...

But how big is too big?

To find out, survey people rapped on doors right across Canada.

Most Canadians think companies

like Imperial make 29¢

on each dollar of sales. Most

of them think such companies

are entitled to make about half that ...

15½¢ on the sales dollar.

Imperial's profit in 1953 was  
actually less than 8¢...

less than a third of what most people  
thought we made.
